Book blurb

The **Singapore Tax Workbook 2024/2025 (27th Edition)** is a concise and user-friendly guide to Singapore income tax for all taxation and accounting students, tax practitioners and anyone else looking for practical tax information. This Workbook incorporates all relevant income tax changes from the previous edition, including those announced in Budget 2024.

Key features and inclusions

- Highlights current tax laws and incorporates the most recent tax changes and Budget 2024 announcements
- Comprehensive coverage with practical examples (updated and revised examples are included)
- Each chapter begins with a Summary Checklist of key concepts
- Each paragraph is followed by a list of legal references to encourage further research
- Throughout the text, examples demonstrate how the law is applied to reinforce learning
- Each chapter concludes with revision questions, and suggested solutions at the end of the
- Finding topics is made simple with the Case Table, Interpretation and Practice Notes Finding List, Section Finding List, and Topical Index.

About the Author page

Prof. Sum Yee Loong, FCCA (UK), CTA (UK), MSc (Taxation & Public Finance) (UK), CA (Singapore), ATA, has more than 30 years of tax experience. He is currently Professor of Accounting (Practice) at the Singapore Management University, Honorary Technical Advisor (Tax) of the Institute of Singapore Chartered Accountants (ISCA), Board Member of the Singapore Tax Academy, Chairman of Singapore Chartered Tax Professionals and member of the Professional Education Council of the Singapore Accounting Commission (SAC). Board Member and member of the Audit & Risk Committee of the IRAS.

Professor Sum was tax partner in Deloitte & Touche LLP from 1987 to 2011 and Board Member and member of the Audit & Risk Committee of the IRAS (2016 – 2022).

Technical Reviewer, Associate Professor Tan Kai Guan, Clement, MSc (Accounting & Finance) (LSE), BAcc (Hons), FCCA, FCPA (Singapore), ATA (Income Tax), is a qualified accountant with tax and audit experience. Before joining the academia, he was attached to one of the public accounting firms. He has been teaching at the Nanyang Technological University for almost 30 years. He had previously conducted the pre-admission course (tax module) organised by the Institute of Singapore Chartered Accountants (ISCA) from 1995 to 2018. He was previously an Examiner of the ACCA Tax Framework (Singapore), Paper 7(P) and an Assessor of the Taxation Paper (Singapore Law) of the Chartered Institute of Management Accountants (CIMA).
